

## KID Zone Programs

*Offered by: Seminole County EMS/Fire/Rescue Division*

Seminole County EMS/Fire/Rescue offers the following programs to subdivisions located throughout unincorporated Seminole County:

**Fire Safety** – This programs will include age appropriate fire safety lessons which will include safety items of match safety, stop, drop & roll, escape plans, and the importance of having a smoke alarm in the home. A fire safety video may be shown if a VCR is available.

**Water Safety** – American Red Cross – Whales Tales This program targets Kindergarten through 6<sup>th</sup> grade. This teaches children safety rules around the water. This program includes a thirteen (13) minute video, lecture and safety worksheets.

**Calling 9-1-1 Make the right call** – This program teaches children the importance of when and when to not call 9-1-1. In addition the program will teach children what type of information the emergency dispatcher will ask if an emergency should occur. A 6 minute video may be shown if age appropriate.

All programs must be scheduled two (2) weeks in advance. To schedule a program, please contact Paula Ritchey at 407-665-5150.

**Please note – EMS/Fire/Rescue Units will remain available for calls therefore the program may need to be re-scheduled due to emergency response.**
